

Dear Program Presenter:

The Public Relations Committee of the Cleveland Area Metropolitan Library System (CAMLS), a consortium of 80 member public, academic, special and school libraries in northeastern Ohio, has designed a Program Bank, a database of persons who provide entertainment and expertise in various categories and for various age groups in libraries. This Program Bank database is housed on the CAMLS website, at <http://www.camls.org>.

Because of the successful program you gave at one of the CAMLS member libraries, your name has been suggested for inclusion in the database. Information from the form below is what will be seen on the screen. The database is password protected for use by member librarians looking for program presenters.

If you wish to be included, please fill out and sign this form and return it directly to CAMLS, 20600 Chagrin Blvd., Suite 500, Shaker Heights, OH 44122-5334. Fax: 216.921.7220. You can remove your name from the database in the same manner. If you have any questions, contact Elaine Terman at 216.921.3900.

Presenter Name: _____

Address: _____

Telephone: _____

Fee: Free \$1-50 \$51-100 over \$100

Intended Audience(choose as many as appropriate):
